# Life Skills English

A High-Accountability **Business Applications** Course for Christian Thinkers

## Write Personally

Get back into school mode with fun autobiographical writing challenges. Later, practice elaboration and cutting clutter writing a Christmas Letter for friends and family.

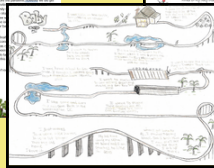

Christmas Newsletter

Name Story

Tika, My Treasure

Life Map

Sensory Detail Writing

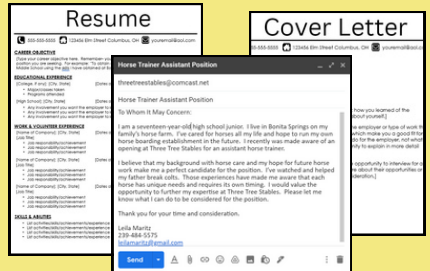

## Build Faith

Witness a vicious stone age tribe come to faith in Jesus Christ and analyze the theme of God's Providence reading *Bruchko* by Bruce Olsen. Then, discover God's love and goodness reading *A Shepherd Looks at Psalm 23* to analyze the psalm's central metaphor.

## Write Professionally

Create a resume and cover letter and prepare for a live interview simulation. Practice proper professional email etiquette. Develop a Closing Argument for a sports Injury case. Finally, write and present a Persuasive argument using Google Slides.

Business Email

## Develop World-Citizenship Discernment

Pertinent for today's youth! Read *Parallel Journeys*, the first-hand account of an ex-Nazi youth, to discover how propaganda coerced a generation of Germany's teens to join Hitler's unthinkable scheme. Analyze ID cards of holocaust victims and tour a classroom Holocaust museum while keeping a Holocaust Museum Journal. Then, read the *Hiding Place* to experience God's grace and provision for those opposing Hitler's "progressive" agenda.

Challenging the rising generation line by line. [aimeeline.com](http://aimeeline.com)
